

Thanksgiving Blessings

Dear Cosgriff Families,

Gratitude involves feeling thankful and appreciative for something in your life. This is a perfect reflection of what I have experienced already at Cosgriff. Every day, I am moved and inspired by what I see students doing within the school. Every day, I am amazed at the incredible devotion of our faculty and their unique ability to teach and inspire our children. Every day, I celebrate the amazing support of our parents and community. I am thankful that Cosgriff continues to strive for excellence in each and every classroom and continues to cultivate an open and positive school climate.

During this time of Thanksgiving, I want to share my gratitude and thank you for being such an important part of the Cosgriff community. This is a wonderful time of year to get together with friends and family to celebrate and be thankful for all of the wonderful people in our lives. On behalf of the Cosgriff administration, faculty and staff, I would like to thank you for your continued support and wish you all a safe and happy holiday.

May your blessings fill you with joy
this Thanksgiving and may your
Thanksgiving gathering be
memorable.

**God Bless,
Mary Thorne**
