Kristin Bonacci Update

On Thursday, April 25th Kristin was moved to the Neilson Rehabilitation Hospital. She is able to eat and her speech has gotten stronger. Her day is filled with therapy as she is showing us her strength every day.

In true Kristin spirit she has been worried about her students and was bummed she was missing bookclub. Luckily bookclub got to visit and the Cosgriff students have made her day with cards that she loves reading and a beautiful bouquet of tie-dyed flowers from kindergarten.

In the next weeks, we anticipate Kristin getting stronger and stronger. As her strength improves she will have to undergo another procedure that will repair part of her head fracture.

She has enjoyed the laughter of Tom & her two sons, Vincent and Joseph. She has been able to FaceTime Katy their daughter that lives in New Zealand.

The family is amazed by all of the support and truly appreciate the love you have shown.

The family is also appreciative of the offer of a GoFundMe and MealTrain from Cosgriff. As Kristin improves we will have a clearer plan for both of these. We are working with our Cosgriff family and friends to get something out.

Thank you, from a family friend on behalf of the Bonacci family

After a very successful career, our beloved Mrs. Lacombe has decided to retire from the Cosgriff Drama Club. We are so thankful for her years in the director's seat, but we are looking for someone new to take this on. Please let me know if you or someone you know is interested.
