Dear Parents, Grandparents, Alumni, and Friends of J.E. Cosgriff,

I hope this letter finds you well and filled with the spirit of generosity that defines our Cosgriff community. As we begin the 2025 - 2026 school year, we humbly write to you with a heartfelt invitation to support the J.E. Cosgriff Memorial Catholic School Annual Appeal Giving Campaign. Your generosity plays a vital role in sustaining our mission to provide a Christ centered, academically excellent, and service oriented education.

At Cosgriff, we are devoted to nurturing each child's academic growth, spiritual development, and social well-being. As a Catholic school, we rely on the generous support of people like you, our extended family, to help sustain our mission and values. While tuition remains our primary source of income, it does not fully cover the actual cost to educate each student. Your support helps bridge that gap and allows us to offer more than just the basics, ensuring every student receives a well rounded and enriching educational experience.

Your contribution to the Annual Appeal has a direct and lasting impact on our students and school.

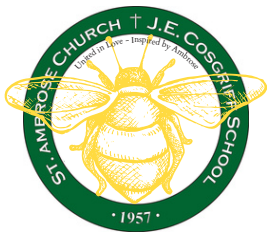

Here are just a few of the ways your generosity makes a difference:

- Scholarship Assistance - Your gift helps families afford the gift of a Catholic education
- Program Enhancement - Appeal funds support fine arts, technology, foreign language, and other enrichments that elevate the student experience
- Facility Upgrades - Your donations allow us to maintain a safe, functional, and welcoming school environment

A Year of Major Improvements

Last year's Annual Appeal, in combination with the Alsam Foundation Grant and generous community support, funded significant renovations and technological upgrades:

- A secure and single point of entry
- Updated phone, intercom, and security camera systems
- Two classrooms for grades Kindergarten - Fifth
- Fresh paint and carpeting in all classes
- Upgrades to high traffic student areas

In short, we are completing a major overhaul to our building and adding two new classrooms. Now, we turn our focus to securing the future of our Cosgriff Teacher Tuition Fund.

2025 - 2026 Priority:

This year, we're asking for your help with Donations earmarked for the Cosgriff Teacher Tuition Fund. Your contribution to this fund helps us provide an essential component to achieve our goal of making Cosgriff a place where outstanding educators not only want to work, but also stay and become a part of our community. The Teacher Tuition Fund is designed to support Cosgriff's efforts to attract and retain outstanding educators by offering free tuition for teachers who have children attending Cosgriff. Donations to the fund will go directly toward:

- full tuition discount to employees whose children attend Cosgriff as students
