J. E. Cosgriff Memorial Catholic School

A Ministry of St. Ambrose Parish

Dear Friends and Families of Cosgriff,

Since 1957, J.E. Cosgriff Memorial Catholic School has been more than just a place to learn. It's been an institution rooted in growing faith, building lifelong friendships, discovering individual gifts and talents, and developing the knowledge and character necessary to make a difference in our world.

The Cosgriff legacy is built on the students who fill our halls, the educators committed to inspiring them, the families who entrust their children in our care, and the generosity of all who believe in our mission. Whether you are a current parent, proud alumnus, grandparent, former family, or friend of Cosgriff, *you* are a part of the Cosgriff legacy and our future.

As we begin our 2026-2027 Annual Appeal, we invite you to join us in carrying this legacy forward for generations to come, making a lasting difference in our community.

While tuition helps to provide the foundation of the school's operating budget, it does not cover the cost of educating each one of our magnificent students. The generosity of our community helps to bridge that gap, ensuring that a Cosgriff education remains rich in opportunity, rooted in Catholic values, and focused on the development of the *whole* child.

Annual Appeal contributions support the people, programs, and opportunities that make Cosgriff so special, including:

- **Uplifting Educators:** supporting our teachers salaries, professional development, and the continued growth of our faculty.
- **Expanding Horizons:** Strengthening education, music, technology, athletics, and foreign language programs that help students discover their talents and explore new interests.
- **Access to a Cosgriff Education:** Providing financial assistance and scholarships to help students and families in need.
- **A Strong Foundation for the Future:** Enhancing the academic resources and experiences that prepare our students to lead with faith, confidence, compassion, and purpose in all that they do throughout their lives.

Help Carry Our Legacy Forward

Every gift matters. A contribution of any size helps foster the educational experience our community values and looks to Cosgriff for.

The impact of a Cosgriff education lives on in the values our students carry with them, the relationships they build, the service they give to others, and the contributions they make out in the world.

To our current families, thank you for your trust and partnership. To our alumni and former families, thank you for carrying the Cosgriff spirit with you into the world. To our teachers, staff, grandparents, supporters, and friends, thank you for believing in Cosgriff. Your generosity continues to help shape the experiences and opportunities of generations of students.

As we look ahead, we hope you will join us in supporting the 2026-2027 Annual Appeal. Your gift is more than a donation, it's a statement of belief in our students, our mission, and the lasting value of a Cosgriff education.

Please consider making your annual gift, sponsoring our mission, or contributing to/creating a student scholarship today.

Thank you for being part of our community, for investing in our students, and for helping the Cosgriff legacy continue to thrive. We are deeply grateful for your generosity, your partnership, and your belief in the generations of our students.

Together, as Tigers, we carry our legacy forward.

Make a Lasting Contribution to Cosgriff Today!

Sincerely,

Audrey Safman
Director of Development
